

CHRISTMAS FAYRE

Thursday 5th November 2009

Henley Rugby Football Club

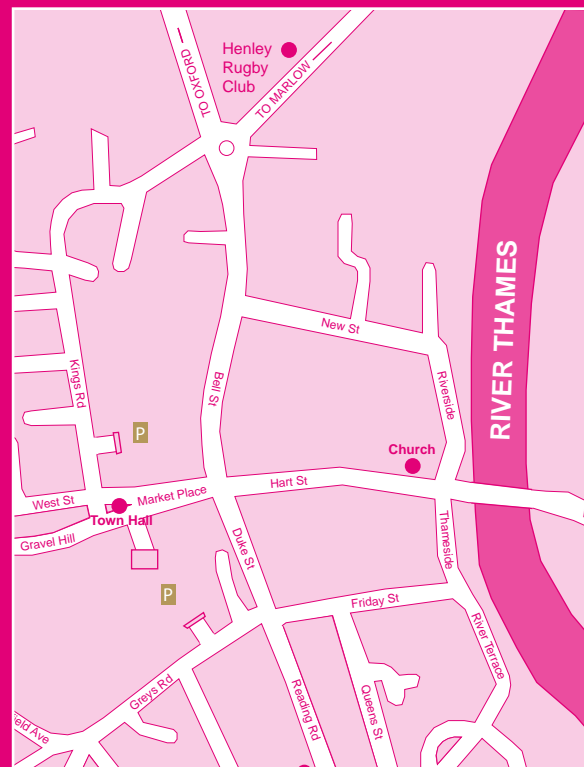

9.30am to 3.00pm

STALLS

To date, the Charity has raised approximately £53,000 to help local individuals and causes in and around the Henley area. Here are some examples of donations made to worthy recipients:

- ★ *donated £399.94 to purchase a new cooker for a young single mother suffering financial hardship.*
- ★ *donated £5,000 to assist the Henley Partnership of Schools to provide a counselling service for 2009/10 to young and school aged children in Henley. These children will receive counselling for any emotional need/trauma including bereavement, bullying, family breakdown, coping with parents abusing alcohol and drugs, self-harm and eating disorders.*

We would like to donate £1,500 from monies raised at this year's Christmas Fayre to the Henley-on-Thames Lions Club. This will help with the purchase of Christmas parcels to give to the very elderly and needy families within our community.
